Dangerous blind spot

To the Editor:
Have you ever tried exiting Willits Cemetery? Well, you may just end up going straight back there – to be buried!

The blind spot of cars coming east on Highway 20 at 55 miles per hour, or more, is extremely dangerous! Let's all contribute to a fund with the cemetery to purchase and install a parabolic mirror across the road to prevent inevitable tragedies.

Please contact Willits Cemetery at 707-459-5252.

Mary Pappadakis, Willits

Thank you

To the Editor:
On behalf of Brickhouse, Mazahar and Willits Enchanted Toy Shoppe, we are so grateful for how the Hometown Celebration came together this year. Opening the downtown streets to pedestrian traffic was magical and bonding for our community, with children running about and families crossing Main Street casually, with no concerns of being harmed by cars driving by. We felt we had the freedom to express ourselves instead of being confined to a crowded sidewalk.

The mood was happy, with community members seeing old friends across the street and running over for a hug or a handshake. Everyone we talked to loved the event, commenting how special it was to have our downtown back. We hope to see more events that allow us to celebrate Willits as a community in a festive and safe environment.

We want to express our thanks to the people who made our Willits Hometown Celebration so amazing this year with special gratitude to the Willits Frontier Days volunteers for all their hard work and dedication organizing the event. Along with the City of Willits, Police Department and Little Lake Fire, who kept everyone safe while mingling happily with the community. And of course thanks to the Willits City Council for allowing safe pedestrian traffic downtown for this event. Huge thank you to all the vendors, entertainers, the bands, artists booths, food makers, clowns, merchants, and mostly the friends, family, happy children, grandpas,

and grandmas for making this super dynamic event come to life where everyone peacefully, with joy and love, mingled and bonded with a smile and sense of community.

We hope and dream that this Hometown event is the first of many to come. With gratitude and lots of hope, let's do this again soon!

Tom and Sara Mann, Willits

Thank you

To the Editor:
This year the parents of Baechtel Grove Middle School set out to establish a Parent Teacher Organization. The goal was to have a positive impact on students' lives and at the year's end we feel we met our goal.

Due to the support and generosity of the Willits community, the PTO's fundraising efforts were a success. In early June the PTO was able to send the 6th, 7th, and 8th graders on a memorable field trip. Additionally, the PTO was able to retain the resources needed to maintain the organization and continue our efforts next year.

The PTO would like to extend their sincerest gratitude to the following businesses and individuals who supported our community's youth through donations of resources, time, and monetary resources: Gateway Games-Willits, Fonsen Grass Fed Beef, DMA Construction, Grocery Outlet-Willits, Buttercups Children's Boutique, Ace Copy and Shipping, Yokum's Body Shop, Mazahar, Shauna Brown, Amber Bowlds, April and Chris Lamprich, Kemmy's Pies, Tabatha Hulsey, Life of the Party Rentals-Laytonville, Christy Wisdom, Angela McCartney, Jennifer Randrup, Karen & Scott Mattson, Toni Cassidy, Meghan White, Dina Haigounian, Kelsey Radmilovic, Sparetime Supply, Willits Rotary Club, Willits Wild Bunch, and MetalFX.

The PTO would also like to acknowledge the countless number of parents and teachers who spent money out of their own pockets to ensure no student was left behind. And to the entire staff of Baechtel Grove Middle School and Principal Chris Kinney, we respect and appreciate your dedication to our children.

Diana Hernandez, president, PTO

Mendocino College receives \$1.5 million grant to continue supporting Native American student success

Ukiah, CA – Mendocino College is thrilled to announce that it has received a prestigious five-year, \$1.5 million grant from the California Community College system. This generous funding, which begins in June, will enable the college to continue providing vital resources, support, and services specifically tailored to Native American students. Mendocino College is one of only 20 institutions selected to receive funding for the establishment of a Native American Student Success & Support Program.

With this grant, Mendocino College will be able to hire dedicated staff members who will work closely with Native American students, ensuring they receive personalized support and guidance throughout their educational journey. Additionally, the funding will facilitate stronger engagement with tribal nations in the region, fostering collaboration and partnership.

This funding comes at a crucial time, allowing Mendocino College to build upon its recent efforts to enhance the support provided to Native American students. The college remains committed to fostering an inclusive environment where every student has the opportunity to succeed and thrive.

In recent years, Mendocino College has been steadfastly committed to closing equity gaps for Native American students and fostering deeper connections with the community. The college's 2022-2025 Student Equity Plan reveals that these efforts have indeed paid off, with Native American students achieving on par with or surpassing their peers in numerous categories.

Furthermore, during the 2021-2022 academic year, Mendocino College proudly enrolled the highest number of Native American students among all institutions within the California Community College system, which comprises 116 community colleges. Despite being one of the smallest colleges in terms of overall student population, Mendocino College stands out for its remarkable success in attracting and supporting Native American students.

"Enhancing educational opportunities and pathways for Native American communities are core priorities of our district. We feel privileged to serve numerous tribal nations and are eager to collaborate in addressing the educational needs of Native American students," says Mendocino College President Tim Karas.

Mendocino College stands out among California community colleges by offering a dedicated on-campus space specifically for Native American students. In the past year, the college has relocated the Native American Student Resource Center to a more prominent location near Pomo Plaza along with various support services. This move has significantly enhanced the center's visibility and facilitated greater access to resources for students.

Mendocino College has demonstrated its commitment to engaging Native American students through initiatives such as the establishment of Pomo Pathway in 2018. Initially launched in collaboration with the Coyote Valley Tribe of Pomo Indians, Pomo Pathway is a student learning community that integrates culturally relevant content into course curricula while offering supplemental support beyond the classroom.

Although the pandemic necessitated a temporary shift to online learning, Pomo Pathway has now

Senior Center menu for the week

Willits Senior Center is serving lunch in its indoor dining room, and continues to serve drive-through and walk-up lunches, too. Lunch is available Monday through Friday, from 12 to 12:45 pm, inside and outside the Senior Center, 1501 Baechtel Road. Lunches are \$8; \$75 for a 10 lunch card for Senior Center members.

Thursday, July 6: Pepperoni Pizza, Green Salad

Friday, July 7: Meat Loaf, Mashed Potatoes w/Gravy, Veggie, Roll

Monday, July 10: Chicken Curry, Rice, Roll
Tuesday, July 11: Lasagna w/Meat Sauce, Green Salad, Garlic Bread

Wednesday, July 12: Chicken Philly Sandwich, Pasta Salad

Thursday, July 13: Beef Stroganoff, Green Salad, Roll

Friday, July 14: Chicken Bacon Ranch Wraps, Pasta Salad

Activities: Bingo every Friday night, 5 to 7 pm. Exercise class every weekday morning from 9 to 10 am.

Pancake Breakfast every second Sunday, 8 to 11 am. July 9 this month.

Menu choices: 1. Pancakes with eggs cooked the way you like them, and choice of sausage or bacon. 2. Biscuits & gravy with eggs cooked the way you like them. \$10; \$9 Senior Center members; \$6 children under 8. Extra meat sides \$2: 3 slices bacon, 2 sausage links. Breakfast includes Peet's Coffee and orange juice or milk.

Meals on Wheels: The Senior Center Meals on Wheels program delivers lunch Monday through Friday. To sign up call Deb at 459-6826, who can help fill out the application form. Call 459-6826 the day before needed to schedule home meal delivery. Delivered throughout Willits.

Transportation for seniors: Call 459-5556 to schedule. Pick up and drop off for grocery shopping, banking, doctors' appointments. Senior Center Thrift Shop: 459-2176

The Senior Center is in need of volunteers to help with the many activities here at the center, including volunteer Meals on Wheels drivers. "Volunteers are one-third of our workforce, which allows us to offer many services to our members and community." To learn more about volunteering: 459-6826.

2022/23 grand jury reports posted

Please be advised that the following 2022/23 reports from the Mendocino County Civil Grand Jury are now posted on the Mendocino County website, www.mendocinocounty.org/government/county-organization/grand-jury/about-the-grand-jury/2022-2023-reports

The reports include: "Health & Environment: Creative Approach to Improve Quality of Care for Family & Children's Services," dated June 7, 2023; "Continuity Report: A Look Back on Responses to Reports from the 2021 - 2022 Grand Jury," dated June 7, 2023; and "Accountability at the County: 25 Years of Transient HR Leadership and a Hobbled HR Department," dated June 21, 2023.

Note: When the grand jury reports on an entity, the governing body of that entity is required to respond to the presiding judge of the Mendocino County Superior Court within 60 days for elected officials and 90 days for all others. Responses will be listed immediately following their respective reports.

– Carole Hester, foreperson, Mendocino County Civil Grand Jury 2022-23

MCSO deputies at a 'dead run' over the weekend

Posted by Mendocino County Sheriff Matt Kendall

As the 4th of July is upon us, it seems summer showed up overnight. With the weather turning hot we are seeing recreation in areas such as the Mendocino Coast, our rivers, Lake Mendocino and areas where folks can receive some relief from the heat.

Our communities had several parades, as well as rodeos and festivals. It has been great to see our residents out enjoying the holiday.

Over the holiday weekend my deputies were at a dead run, we handled several emergency calls and investigations which reflect the large influx of people into our communities. We

Cooke is Crowned

Hazel Cooke named 2023 Willits Frontier Days Sweetheart at annual awards dinner

There's a new name added to the roster of almost 100 women who have earned the title of Willits Frontier Days Sweetheart: Hazel Cooke.

Cooke was crowned at the annual Sweetheart dinner held Saturday, July 1 at the Willits Frontier Days rodeo grounds, and family and friends cheered her on as it was announced that she sold \$38,440 in tickets for the 2023 events.

During the ceremony, Cooke gave her speech on the theme of "Wranglers, Boots and Spurs" and accepted her silver tiara donated by the Willits Chamber of Commerce; silver spurs donated by Outlaw Saddle; silver belt buckle donated by Paul and Diana Hosford; and flowers and sash denoting her title. She also received the perpetual American flag chaps which she will be able to wear during the year. Each Sweetheart has signed and worn the chaps since 2016, when Halee Reed received them from maker Mary Anne Underhill.

Major sponsors of this year's events were also celebrated and honored at the ceremony, including those for the Truck and Tractor Pulls and the Willits Frontier Days events. They received a plaque and posed for a

HOW TO SUDOKU

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

WILLITS POLICE DEPARTMENT POLICE LOG

May 29 to June 4

By Danya Davis, Willits Weekly

The officers of the Willits Police Department handled 66 incidents in this 7-day reporting period.

Summary of Active Investigations and Arrests

June 12

12:17 am: Officers responded to a disturbance in the 1500 block of South Main Street.

6:10 pm: Officers initiated a vehicle theft investigation in the 300 block of South Main Street.

6:15 pm: Officers initiated a vehicle theft investigation in the 1700 block of South Main Street.

7:19 pm: Officers responded to a report of trespassing in the 100 block of Creekside Court.

June 13

7:48 pm: CRUZTALAVERA, Cristian (30) was contacted in the 200 block of North Main Street. He was arrested pursuant to 23152 VC (Driving Under the Influence of Alcohol) and on misdemeanor charges of driving without a license.

10:12 pm: Officers conducted a stop near the intersection of North Main Street and Sherwood Road and issued a warning.

June 14

11:53 am: Officers responded to a report of suspicious activity in the 100 block of East Commercial Street.

1:00 pm: Officers conducted a stop in the 100 block of Franklin Avenue and issued a citation.

4:00 pm: Officers initiated a theft investigation in the 1400 block of Baechtel Road.

5:40 pm: Officers responded to a report of suspicious activity near the intersection of West Mendocino Avenue and Exley Road.

9:32 pm: CARLILE Jr., Bryce Randall (40) of Willits was contacted in the 300 block of North Main Street. He was arrested pursuant to felony charges of 2310 PC (Carrying a Concealed Dirk or Dagger) and 1203.2 PC (Violation of Probation), and on misdemeanor charges of driving with a suspended license, violation of probation, and failure to appear.

June 15

10:43 am: Officers responded to a report of a suspicious vehicle near the intersection of South Humboldt Street and East Valley Street.

3:22 pm: Officers conducted a stop in the 1400 block of South Main Street and issued a citation.

June 16

2:22 am: SAYAD, Lillian Lavay (19) of Willits was contacted near the intersection of Central Street and Monroe Street. She was arrested on felony charges of defacement of property in excess of \$400 and misdemeanor charges of providing false identification to an officer.

10:26 am: Officers responded to a report of suspicious activity in the 500 block of Railroad Avenue.

11:31 am: Officers responded to a report of suspicious activity near the intersection of Hazel Street and South Main Street and issued a warning.

2:44 pm: RUIZ, Nicole Amanda (41) of Ukiah was contacted in the 500 block of Redwood Avenue. She was arrested on misdemeanor charges of willful cruelty to a child and violation of a protective order.

June 17

7:52 am: Officers initiated a missing person investigation in the 100 block of East Commercial Street.

1:36 pm: Officers responded to a report of an unwanted subject in the 500 block of South Main Street.

4:31 pm: Officers conducted a stop near the intersection of East Hill Road and Baechtel Road and issued a citation.

June 18

8:51 am: Officers initiated a theft investigation in the 800 block of South Main Street.

10:11 am: Officers conducted a stop in the 500 block of South Main Street and issued a warning.

Lillian Sayad of Willits.

Bryce Carlile of Willits.

Willits Art Walk

Drawing stations, live music, artwork exhibits along East Commercial Street on Saturday

"We've been scrubbing and cleaning and we're going to rearrange the whole floor so it's more like a gallery. We're going to pull everything off the walls so there's full access to all the paintings. We're going to have a nice little row of places to sit. We're serving hot and iced coffee and all of our homemade teas. I recommend the iced teas," said Tom Mann, owner of Brickhouse Coffee, one of the participants of the First Saturday Art Walks, which will be taking place monthly throughout the summer.

Mathew Caine
Features Writer
mathew@willitsweekly.com

Mann, like the other participants, decided to open his business to help promote art and the community. Mann wanted to keep the vibe going from the previous evening's annual Hometown Celebration, where he was impressed with the setup of closing down a few blocks of Main Street in order to allow people to mingle without traffic.

After several attempts through recent years, the community finally got an Art Walk that featured most of the East Commercial Street corridor with participation from Brickhouse to the Mendocino County Museum.

"We are trying to bring awareness to East Commercial Street and all the amazing things there are to do here," explained Karen Mattson of the Mendocino County Museum. "We have a lot of creative organizations and the event is meant to bring attention to them and also to create space for the community artists to come and be part of it."

"We're here at the end of the Walk. The Roots of Motive Power have joined in and will have the engine house open tonight as well. It's nice because people don't always get a chance to see it during the day time."

"Tonight, here we have different drawing stations throughout the museum," Mattson continued. "We're encouraging people to relax and really enjoy their space, so we have different still-life vignettes set up. People are welcome to get their drawing materials and find anything that inspires them to draw."

"We have a hash tag so people can share their compositions online on social media if they like. If they would like to leave them here, we would be happy to share them on our bulletin. Everything is inspired by gadgets here tonight. The theme of our event is 'Inventors Take Over.' We have our 'Gadgets Galore' exhibit, featuring local inventors, some of whom have shown up tonight."

"Phil Jergensen has brought more of his work he's done with Grid Beam. He recently started working on his idea of the Funkadoodle Railroad. He brought 30 feet of track tonight. He also brought a mini gypsy wagon, like a tiny home."

"I'm trying to make the smallest practical railroad in the world," said Jergensen. "It's solar electric. Each car will have its own

electric motor. I have two more passenger cars I couldn't bring today. The tiny gypsy house is still under construction."

Too Much Fun, a duo (Paul Haley and David Pierce) that plays music from the '60s and '70s, entertained at the museum. Continuing down Commercial Street, across from the museum, Willits Elementary Charter School had an array of masks, homemade paper with inlaid flowers, and kept-bed paintings that were generated from their summer program.

"We're featuring art from our students doing our summer fun program here at the school," said Jessica Clark. "We are an enrichment program and every week is themed, based on a different biome. This is our first two weeks of art class, based on the kelp forest and the savannah."

"The students are exploring different mediums," Clark explained. "We've done a lot of watercolors, specifically with the kelp forest. We did acrylic paints, clay, mask work, as well as mosaic work. Just in two weeks, the kids have done quite a lot. The paper-making has been a massive favorite. We used old math textbooks that we shredded in order to make the paper."

The Skunk Train parking lot had several artists selling, creating and greeting the public, including Willits Charter School art teacher Caroline Hambricht, who is preparing to run an art camp at the Willits Center for the Arts.

Robert Permenter was painting one of his meticulous portraits. Carrie Fox showed her metal-smith work, based on nature and annotated with cards. Angela Jones Marston displayed her collages, earrings, feathers, and leather work. Other artists in the parking lot included Joanna Alvaro and Gilles, Rose Holcomb, Steve LeGris, and April Carrillo, who had "a lot of very colorful neon psychedelic alien art."

Across the street, the Chamber of Commerce set up an information booth and inside the complex, Kemmy's Pies had a balloon-animal creator, a DJ rocking the tunes, and a lemonade stand run by Brenda Moss' daughter, Rome.

The Willits Center for the Arts had the opening of their new exhibit on Native Art, the last of the Year Sale, and chalk street art as well as a station in front of the Center where people could paint rocks in any manner they chose.

In spite of the heat, Willits residents made their way out to the Art Walk to enjoy some of the fine arts and crafts on display, converse with the artists, and take advantage of the opportunity to take home some art at a reasonable price. Those who missed the event will have two more chances, the next two months on the first Saturday of each month.

Willits is rich with artistic talent. Supporting this talent takes appreciation and financial support. The artists would love to invite the entire town to their next Art Walk on August 5. It's worth the wait and the walk.

Above, left: The Native exhibition opening took place during the monthly Art Walk. Above, right: Tom Mann, owner of Brickhouse Coffee, supported the Art Walk by rearranging his shop to become more gallery-like. At right: Donna d'Terra displays some of her homemade paper and poetry art at Brickhouse. At far right: Robert Permenter works on a portrait at the Skunk Train parking lot. Below: Rock painting was a great hit in front of the Willits Center for the Arts.

This facilitated 8-week group starting August 10 provides an opportunity to learn the symptoms of grief, as well as to recognize the individual nature of its expression and duration. With a fuller understanding of the grief process and effective ways to cope, we can find meaning and move forward.

This group will start August 10, 2 to 4 pm at Willits Senior Center, 1501 Baechtel Road. Free of charge. Limited to 8 participants. Please call Suzanne to register or for more information: 707-456-9676. Avenues to Wellness is a program of the Frank R. Howard Foundation. Visit: avenuestowellness.org

COLUMN | AT THE MOVIES

'Indiana Jones and the Dial of Destiny'

The Story: In this flick we get to see Indiana Jones (Harrison Ford) live and age through decades of his life. He escaped from scuzzy Nazis in "Raiders of the Lost Ark." Thirty years plus or minus after WWII, he's again being pursued by more Nazis who want to capture the Antikythera mechanism which is a (wondrous and very real) astronomical device recovered in 1901 from a Roman galley that sank more than 2200 years ago. Legend has it that this ancient mechanical wonder was designed by the Greek mathematician Archimedes.

Now, in the magical World of Indiana Jones, the Antikythera dial does more than compute "the when" and "the where" of eclipses and the movement of the celestial bodies. It also predicts: Cracks in Space-Time itself! With this knowledge, a person or persons will be able to travel back in time. These new-to-Indiana, but still scuzzy Nazi thugs want to capture Archimedes' fabulous invention, and use it to go back in Time and prevent Hitler and the Third Reich from mistakes that led to their defeat by America and the Allies. I guess, thwarting scuzzy Nazis thugs is the unacknowledged purpose of Indiana Jones' Life. That noted: the whole movie is a chase. Bring seat belts.

My Thoughts: Very few thoughts, but some feelings. I wasn't surprised by the flick. I was surprised at the amount of shootings and violence. Still, it's one more Indiana Jones movie, and Indy is really kind of alone, and sad. Which made me sad. Still, one roots for him to be happy. Especially against those Nazi thugs. They're really bad.

Parents: Not for little kids. Too many innocent people get shot just 'cuz they're in the way of the Nazis. I don't think younger children should see people being gunned down, and in this movie lotta folks get gunned down.

Willitsian Daniel Essman prefers his reality attenuated by the wisdom of the imagination.

July Adoption Event

JULY 1ST-JULY 31ST ADOPTION FEES FOR ALL ANIMALS WHO ARE READY FOR ADOPTION WILL BE REDUCED!

CATS:
OVER 6 MONTHS OLD: \$25
SENIORS (7 YEARS +): \$0

Fatal crash on 101 north of Laytonville

Submitted by **CHP Garberville**

On July 1, 2023, at 5:32 am, a California Highway Patrol Garberville Resident Post unit out of Laytonville was advised of a solo vehicle down the embankment and debris in the roadway.

CAL FIRE and Laytonville Fire responded to the location at Mile Post Marker 75.30 north of Black Oak Ranch. Upon their arrival, they located a solo occupant trapped in the vehicle. However, by the time the occupant was able to be extricated from the vehicle, the occupant, succumbed to her injuries on scene.

The victim was identified as a 58-year-old woman from Grant's Pass, Oregon.

Preliminary investigation indicates the vehicle was traveling northbound on US-101, when for reasons still under investigation, the vehicle veered off of the east side of the roadway where it struck the embankment, causing the vehicle to overturn, travel across all three lanes of traffic, and down the embankment on the west side of the roadway.

The identity of the driver is being withheld pending notification of next-of-kin.

No indication of a second vehicle involved. No suspected mechanical failure. Alcohol or drugs do not appear to be a factor. The California Highway Patrol, CAL FIRE, Laytonville Fire Department, Med Star Ambulance, and the Mendocino County Sheriff's Office all responded to the scene.

This collision remains under investigation by the California Highway Patrol - Garberville Area.

The rest of **MSCO** From page 2

also saw some serious tragedies.

The heat and celebrations will continue through July 4, and I am asking all of our residents and visitors to be responsible.

Fire weather is here: Low relative humidity and afternoon winds can spell disaster, so let's not have an ignition. Don't drink and drive, vehicle accidents cause tragedies and fires. Fireworks are still illegal in Mendocino County. There is no reason for anyone to use fireworks. Ask yourself: Is it worth the life and property of another for a few minutes of excitement?

As always thank you for supporting the men and women serving us at Sheriff's Office. Please support your neighbors and your fellow community members by exercising responsibility during this holiday.

The rest of **College** From page 2

resumed providing in-person assistance to students. Furthermore, the program has expanded its range of support by incorporating the Native American Student Resource Center into its framework, ensuring a holistic approach to nurturing the success of Native American students.

The college's commitment to supporting Native American students extends beyond providing physical spaces. Mendocino College has also adopted an official Land Acknowledgement, renamed the main quad as Pomo Plaza, and increased the number of cultural events on campus. These initiatives represent just a fraction of the comprehensive efforts being made by the institution to create an inclusive and nurturing environment for Native American students.

"We are proud of the work we are doing at Mendocino College, and these funds will allow us to continue our efforts to promote student success among our Native American community and to reinvigorate a college-going culture in our region," says Ulises Velasco, vice president of Student Services. "Our hope is that through our consistent efforts, we are able to ensure that Native Americans feel welcomed and supported at Mendocino College, and consider starting their college career with us."

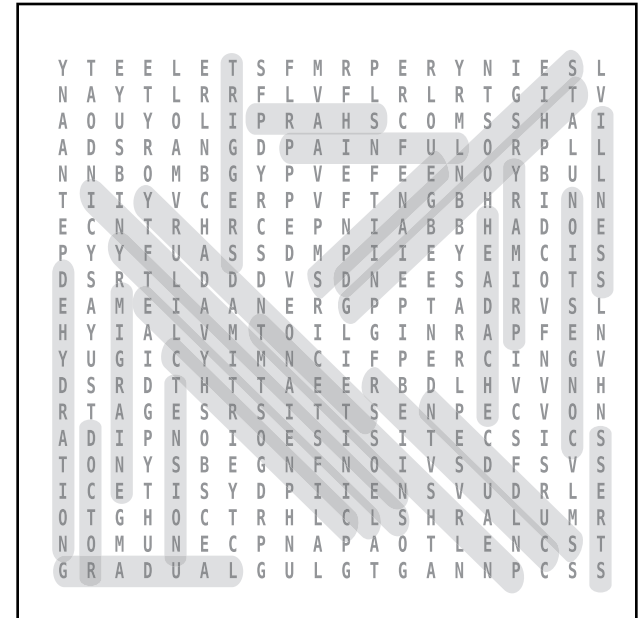

Mendocino-Lake Community College District was formed in 1973 to serve students in Mendocino and Lake counties. Mendocino College offers over 100 degree and certificate programs, and has campuses in Ukiah, Willits, Fort Bragg, and Lakeport. Learn more at www.mendocino.edu

The rest of **Drowning** From page 1

has not been released, was located by private citizens who immediately began life-saving measures for the child. Upon arrival of the deputies, the life saving measures were being conducted in the ambulance. Unfortunately, even with the best efforts of emergency personnel, the child passed away.

This case is still under investigation and further information will be released as it becomes available.

Editor's Note: According to the July 4, 2023 story, "Four more California river deaths include 5-year-old in Mendocino County," in the San Jose Mercury News, "At least 22 people have drowned or gone missing in California rivers since mid-April, as water has been running high and cold during the melt of the snowpack."

Above, left: Lance Ludington and Tamara Ludington, center, brought Carol and Tedd Dawson flowers to celebrate Tedd's retirement. Above, right: The room gives Dr. Dawson a standing ovation. Below: The "OG" Dawson family including, from left: Georganne Croskey, Ben Dawson, Dr. Tedd Dawson, Carol Dawson, Tedd Dawson, Jeremiah Dawson and Jennifer Hartless. The eldest daughter, Stephanie Dawson from Berlin, Germany, will be in Willits later this month to congratulate her parents. At bottom: 12 of the 14 Dawson grandkids were present at the party, including back row, from left: Jonah, Jack, Simon, Dr. Tedd, Teddy, Lane and Marin, and front row, from left: Grace, Violet, Carol, Clark, Kale, Lorelei and Brinlee. Nils and Ella will join the celebration later this month after traveling to Willits from Berlin, Germany.

Photos by Maureen Jennison

The rest of Dawson | From page 1

"It was a very emotional ceremony," said Tedd Dawson's wife, Carol. "I could tell Tedd was feeling it, and it was very appreciative for such a send-off."

Georganne Dawson Croskey, one of Dawson's daughters, also stood and spoke at the microphone and shared some sentiments about her father, and the work ethic and love of caring for others he instilled in them, and their children – the grandchildren – over the years.

While growing up, the kids and family spent time on the farm, raising animals for 4-H including sheep, chickens and hogs and spending time riding horses, raising a varying number of around 15 head of shorthorn cattle, camping and traveling.

After the other speakers, Dr. Dawson himself took the microphone in hand, laughing that "well, that roasting wasn't too bad!" before sharing his appreciation for the doctors, nurses and staff who helped him over the years, and to his family, and his beloved wife, Carol.

Those in attendance were also presented with a slide show to enjoy, created by Heather Bowen, that included photos ranging from life at home, life in the hospital, and many candid moments, playing on the water, memories from past travels, graduations, parties, and with the younger

photo with Willits Frontier Days' Hailey Riley.

Riley, the Sweetheart winner in 2017, and 11 other past Sweethearts were also recognized including: 1974 winner Kathy Persico Graves; 1979 winner Liz Persico Day; 1988 winner Nicol Persico Kunka; 1996 winner Georganne Dawson Croskey; 2000 winner Olivia Grupp; 2005 winner Ashtan Bloomquist; 2008 winner Kinzie Barlow; 2011 winner Riata King; 2019 and 2020 winner Jaden Doak; and 2022 winner Danielle Barry.

During the event sponsored by J.D. Redhouse, gathered attendees enjoyed a meal prepared by June Sizemore and individual Kemmy's Pies for dessert.

Two auction items were also offered to support the Willits Frontier Days Juniors including a giant redwood slab donated by Matthew Harbour of Harbour Quality Redwood which was bought by Jenn Drew of 101 Trailer and RV Supply for \$2,200 and a set of historic Willits Frontier Days plates which was purchased by Sparetime Supply for \$200.

Centerpieces on the tables including succulent gardens and welded horseshoe candleholders were also available to take home for donations to the Willits Frontier Days Juniors.

- 1. Recognition of Fire Districts / Agencies as a bargaining block, no longer fragmented
2. Consolidated point for District / Agency information collection and distribution
3. Email distribution list to quickly share and solicit information
4. Developed definition of "Local Fire Agency" with eligibility to receive county funding
5. Singular point of contact for county when seeking or sharing information
6. Funding from zero to \$6M, not including Measure P funds
7. Regular meetings set with BOS ad hoc committee
8. Regular bi-monthly meetings of District / Agency board representatives

The next meeting of the Association is scheduled for October 18.

Director Tina Tyler-O'Shea reported that the Mobility Solutions for Rural Communities Feasibility Study is moving forward. This is a Caltrans grant through Mendocino Council of Governments, where they have hired a consultant to conduct this study.

Director Tyler-O'Shea said: "This means that they are looking at communities within unincorporated Mendocino County that have no access to public transportation, and Brooktrails is one of those communities. I've been participating in this study, and a couple of recommendations for Brooktrails specifically would be to include an extended MTA service two days per week with three scheduled stops in our community, and a volunteer reimbursement program for older adults and people with disabilities.

"Mind you," Tyler-O'Shea emphasized, "these are recommendations at this point. There will be a final public hearing on August 14, and I believe it will be on zoom. I will forward the information regarding that meeting as I receive it to be shared on the Brooktrails Township website: btcsd.org."

"On July 27 at 4:30 pm," she continued, "there will be a public meeting in Ukiah at the Ukiah Senior Center, 497 Leslie Street (between Perkins and Gobb). Those interested in knowing more and/or advocating for these transportation solutions can find information on the MTA [Mendocino Transit Authority] website: mendocinotransit.org."

Township counsel Chris Neary reported there has been substantial progress made in working out an amendment to the Brooktrails Golf Course agreement, and a final draft will be presented at the next meeting of the board.

Third District Supervisor John Haschak went to the podium and said he had a couple items he wanted to point out. Regarding the Mobility Solutions Study that Director Tyler-O'Shea discussed, Haschak said this will be on the agenda for the August 14 meeting of the Mendocino Council of Governments, and he asked for those who have suggestions or comments regarding the proposed transportation plan to contact him at haschakj@mendocinocounty.org.

Haschak said there's a lot of potential for doing some very good work in regard to transportation within our area.

"There's a climate adaptation grant that is part of the federal government's bipartisan infrastructure bill that got passed within the last couple of years," Haschak said. "There is a lot of money out there and the county is applying for the grant money. At our June 20 Board of Supervisors meeting we had to prioritize different options.

"One of the options is the second access route from Sherwood Road to north Highway 101 and the other is the east hills of Ukiah. The board decided to prioritize the Sherwood Road access route," Haschak said.

Brooktrails board members then unanimously approved the first item on the agenda, the Accounts Payable in the amount of \$35,040.91.

A tabled agenda item from the June 13 board meeting, where suggestions were made regarding corrections to the annual audit, then came up for discussion and possible action: "The Acceptance and Filing of the Fiscal Year 2021-22 Financial Statements (Annual Audit)." The board voted unanimous approval of the corrected audit.

A public hearing regarding the "Brooktrails Fire Protection and Emergency Response Services Assessment District Ballot Measure and Community Investment in the Fire Department" was then opened. Two Brooktrails residents David Paland and Maria Bates individually addressed the board stating their concerns regarding the ballot measure.

Both took issue with the way the ballot measure would be passed with a 50% plus 1 count of the total votes submitted. They were both in favor of a 2/3 vote of the electorate to pass the measure.

There was a break in the meeting, while all of the ballots received were then tabulated by volunteer tabulator Richard Weinkle of Willits. When the meeting continued, it was noted that of 1,489 ballots that were mailed to Brooktrails property owners, 417 ballots, representing 28% of Brooktrails property owners, were returned. Three of those were declared invalid.

Tabulator Weinkle announced the results, saying that there were 287 "yes" votes in favor of the measure, and 127 "no" votes, not in favor. It was further announced that the measure passed with 69.37% in favor.

The rest of Hiding | From page 1

Officers immediately requested the assistance of the Mendocino County Sheriff's Office as well as the California Highway Patrol. MCSO responded to assist.

Due to the extremely high rate of speed of the suspect car, the pursuit was terminated.

Officers learned the victim was a previous acquaintance of the suspect and, upon learning the suspect's name, officers responded to this residence. During this time, other WPD officers met with the victims and learned the male was stalking the victims and had tried to run their vehicle off the road, which contained multiple minor children inside.

Officers learned probable cause existed to arrest the driver, Shannon Henson, 27, of Willits, for multiple violent felony crimes.

Officers located the vehicle in the 1900 block of East Hill Road, hidden behind a residence. From there MCSO K9 Sam was deployed and tracked Henson through the wooded area behind the residence. MCSO deputies and WPD officers tracked the subject through the woods for over an hour and were able to locate him and take him into custody after he surrendered to K9 Sam.

It was also later found Henson had thrown a loaded .380 caliber handgun out of the vehicle during the beginning of the pursuit, which a citizen called to report after she located it.

Henson, who is currently on formal probation and a convicted felon, is prohibited from possessing firearms or ammunition.

Henson was booked into the Mendocino County Correctional Facility for the following charges: PC29800(a)(1) - Felon in possession of a firearm; PC 30305(a)(1) - Felon in possession of ammunition; PC 25850(c)

The rest of Attack | From page 1

Washington Police Department regarding felony warrants for the arrest of Charles Nutter 30, of Spokane. Spokane Police Department's Investigations Unit advised Nutter's last-known location was in the Mendocino County and Willits area that morning.

Nutter is the suspect in a stabbing of a transient in Spokane on June 6, 2023.

WPD officers were able to match Nutter by his distinctive clothing from the surveillance photos received from Spokane PD alert with the surveillance photos obtained from local businesses.

On June 30, Spokane PD's Investigations Unit advised they had updated information that Nutter's location was in Fort Bragg. Fort Bragg Police Department officers subsequently arrested Nutter on Spokane PD's felony warrants. Nutter was wearing the same clothing seen in the surveillance photos from both Spokane PD's case and Willits PD's case.

Nutter is currently being held at the Mendocino County Jail awaiting extradition to Spokane. The investigation into the assault in Willits is still ongoing. The victim is currently reported in stable condition.

The Willits Police Department would like to thank the Fort Bragg Police Department for their assistance and apprehension of Nutter. The Willits Police Department would also like to thank local businesses for their assistance as well.

The rest of Suspended | From page 1

residential burning within the State Responsibility Area of Mendocino County.

While outdoor burning of landscape debris by homeowners is no longer allowed, CAL FIRE is asking residents to take that extra time to ensure that they are prepared for wildfires by maintaining a minimum of 100 feet of defensible space around every home and building on their property and prepared to evacuate if the time comes.

Here are some tips to help prepare homes and property:

- Clear all dead and or dying vegetation 100 feet from around all structures.
• Landscape with fire-resistant plants and non-flammable ground cover.

- (6) - Carrying a loaded firearm in public which is not registered to you; PC 646.9 - Felony Stalking; PC 135 - Destruction of evidence; PC 273.5 - Felony domestic violence; PC 273(A)(a) - Felony child endangerment; PC 245(a)(1) - Assault with a deadly weapon; PC 245(a)(4) - assault likely to produce great bodily injury; PC 417(b) - Brandishing of a loaded firearm; PC 1203.2 - Violation of Felony probation; CVC2800.2 - Felony vehicle pursuit with wanton disregard for safety; CVC 2800.4 - Felony vehicle pursuit traveling into oncoming traffic; and CVC 14601.2 - Driving while driver license suspended for DUI.

Shannon Henson, 27 of Willits was arrested on multiple felony charges.

The Willits Police Department would like to thank the Mendocino County Sheriff's Office deputies who responded to assist with the capture of Henson, as well as the numerous community members who called in to assist with location of evidence and suspect location information.

MCSO also released a press release on the incident, with more on K9 Sam:

Sheriff's Office Canine Sam was deployed and a track of Henson was started. Canine Sam tracked Henson through the woods for approximately 1 hour. During the track, it was determined Henson had circled back and was attempting to get back to his residence.

While heading back towards the residence, Henson was spotted by Sheriff's Office deputies. Henson hid behind a tree in an attempt to conceal himself from law enforcement. A canine announcement was made, at which time Henson peacefully surrendered in lieu of being apprehended by Sam.

Editor's Note: As of presstime on July 5, the Mendocino County Jail Booking Log reported Henson was still being held on \$75,000 bail.

Charles Nutter of Spokane, Washington.

The rest of Planning | From page 1

3 votes to pass, and City Manager Brian Bender agreed.

There were only 3 total votes because Councilmember Madge Strong was absent, and Councilmember Saprina Rodriguez recused herself from the vote for what she felt might be a conflict of interest, or at least possibly perceived that way.

Mayor Kanne and Councilmember Gerry Gonzalez voted "yes," and Councilmember Larry Stranske voted "no."

Later in the meeting, City of Willits Counsel Jim Lance addressed the East Commercial Street item vote again, and said he thought he'd given incorrect advice.

"I've just been consulting the Manual of Procedures that the city adopted," he said, "and paragraph 7 is on voting, and it considers whether or not a member has disqualified themselves and left the room and what the effect of that is."

As per the Willits manual, Lance said a simple majority vote of what would be considered a 3-member quorum, i.e., 2 votes, would suffice to pass the item.

According to the staff report, the East Commercial Street Corridor Community Outreach And Program Development plan document, developed by consultant Terrain Landscape Architecture, identified "community enhancement opportunities along the East Commercial Street Corridor (from the intersection with Main Street to the city's eastern boundary).

"These opportunities focused on the athletic fields/parks, Museum/Library facilities, wayfinding/signage, transportation/pedestrian features, and streetscapes," the report stated.

With its approval at the June 28 meeting, the council accepted the current planning document, and directed the city manager to prepare a master plan for future adoption.

When Councilmember Stranske asked about how implementing the planned project improvements would be paid for, City Manager Bender answered that by having a "master plan" in place: "We can use that as a tool to go after grant opportunities. And then we can set aside some general fund funding to implement some of the items, as well."

The East Commercial Street Corridor Community Outreach and Program Development planning document is included in the full agenda packet for the June 28 meeting. To see the agenda with the planning document, visit the City of Willits Agenda Center at https://cityofwillits.org/AgendaCenter and open or download the June 28 agenda.

Water MOU

Also on the June 28 agenda was an item asking councilmembers to approve "a non-binding memorandum of understanding between the City of Willits and the Sherwood Valley Band of Pomo Indians regarding water service extension.

The vote was tied at 2 "yes" and 2 "no" votes, so did not pass that night, but will be considered at a future council meeting. Councilmember Rodriguez, the second "no" vote, said she felt she had just heard about the project, and needed more time to learn more about it, but she'd be happy to consider it again.

Stranske also voted "no," and Kanne and Gonzalez voted "yes"

According to the staff report: "A representative of Sherwood Valley approached staff regarding the feasibility of the City of Willits providing potable water to their 15-dwelling residential development at Mitomkai Way and a proposed community center in the vicinity on a tract of land to the west side of Eastside Road."

The MOU, similarly to an MOU with the Pine Mountain Mutual Water Company the council approved by a 3 to 2 vote at their June 14 meeting, would allow "both entities to explore the practicality of the request through coordination with various governmental agencies/units and pursue the necessary grant funding to support the project.

"The city will utilize grant funds to implement upgrades to the Water Distribution System," the staff report continues, "to ensure its ability to supply current needs and needs estimated for the Sherwood Valley request.

"The MOU contains a provision that allows either entity to forsake any further participation with the MOU if they consider it is in their best interest to do so," the staff report states.

The MOU also spells out that, as far as construction and implementation of the development projects, "the Tribe will seek funding for the project and implement the project at its sole cost and expense."

Fire department update

The city council also received a written fire department update from the Little Lake Fire Protection District. "We are finishing up our state-mandated inspections, the schools, hotels, and motels are almost completed, and we will get started on the apartment complexes soon," the report states.

"Our 95th annual fundraiser was a great success. We had our 2nd annual cornhole tournament and our first chicken BBQ. Thank you, City of Willits, for allowing usage of the City Park. We will continue our event to include cornhole and BBQ in the future.

"We have had several out-of-control burns, and encourage weed abatement to property owners. The hot weather is upon us, and fire season is here. We had 39 fire calls in May," the report concludes.

Furry Friends Hoping for a Home

Lexie Lou.

Lively Lexie Lou

Sweet "big lug" Lexie Lou is a playful, loving and curious gal who enjoys walking and cuddles. This 4-year-old mellow bullmastiff mix is good with dogs and is leash trained.

To learn more about Lexie Lou or to view other adoptable animals, visit www.milofoundation.org or the Milo Foundation Sanctuary Facebook page. The sanctuary is currently doing pet adoptions by appointment only. Please complete a pet-adoption application before requesting an appointment. You can reach the Milo Foundation at 510-900-2275.

Affectionate Polly

Miss Polly here is looking for her forever home after coming in as a trapped "feral." It didn't take very long for her to show us how sweet and loving she is, and up for adoption she went. Polly can be a little nervous at first with new people, but warms up quickly.

The Mendocino County Animal Shelter, located at 298 Plant Road in Ukiah, requires a reservation to view adoptable animals. Call 707-467-6453 to make an appointment to meet Polly or our other feline and canine guests. Make sure to pre-fill out the adoption application available at www.mendoanimalshelter.com.

Polly.

Active Dennis

Dennis is about six months old. He likes to chew on bones, not shoes, provided you give him bones. This cute guy is potty trained, can walk on a leash, is dog social and almost cat social, and is used to sleeping in a crate at night. He loves being active and playing fetch. Dennis is available for adoption, but still needs guidance with his training.

The Humane Society for Inland Mendocino is located at 9700 Uva Drive in Redwood Valley. Feel free to come visit us, no appointments needed! We are open Wednesday through Friday, 1 to 5 pm; Saturday and Sunday, 11 am to 3 pm; closed Monday and Tuesday. Check out all of our available dogs and cats on our website: www.mendohumanesociety.com, on our Facebook page, and on www.petfinder.com.

Dennis.

Unique indie artists Shovelman and Black Suzie at Willits Community Theatre July 14

By Steve Hellman, for WCT

An evening of acoustic roots music unfolds at Willits Community Theater on Friday, July 14 at 7:30 pm with performances by the madcap misfit musician Shovelman and New Orleans singer-songwriter Black Suzie. As the one of a kind Shovelman, Isaac Frankle wields his lap steel guitar, bringing forth sounds of the Mississippi Delta blues blended into an electro-psychedelic flavor. With his bluesy "folktronica" mix, Shovelman has shared the stage with the likes of Primus, Emmylou Harris, Kaki King and Reggae Watts.

For a journey into the depths, Black Suzie offers up enchanting melodies and lyrics that are both clever and heartfelt. Originally from Philadelphia, Black Suzie honed her songwriting craft in New Orleans before moving to a cabin in the redwoods of Northern California. Influenced by folk, blues, soul and punk, this indie artist invites her listeners into a sound reminiscent of Cat Power and Bjork.

Tickets for the show are \$20 and available online at: www.wctperformingartscenter.org, or at the door.

You deserve more reliable answers, faster.

At far right: Rides in the antique firetruck are always a hit.

Happy Hometown

Annual celebration even better with Main Street closure

The street is usually bustling with activity during the annual Hometown Celebration, but this year, the closure of Main Street allowed the bustling to be only the pedestrian variety. This made much more space for vendors to set up and activities to happen – and those with little ones didn't have to worry about moving vehicles in the festival area.

The event was organized again this year by Willits Frontier Days' Hometown Celebration chair Ashtan Bloomquist of J.D. Redhouse. She went above and beyond for the community and local businesses, making sure to create an amazingly successful event that was enjoyed by everyone and supported local business to the fullest.

– Maureen Jennison

At right, top and middle: Cowboys try their hand at hanging onto bucking horses in the bareback, ranch bronc, and saddle bronc classes of the July 3 and 4 California Cowboys Professional Rodeo Association rodeos in Willits, sometimes not getting bucked off and making the 8-second ride for a score, sometimes, not making it. Below, from left: Steer wrestling requires the contestant to slide off his horse onto the back of a running steer, kept in place (hopefully) by the assistant rider, called "a hazer." The contestant must grab the steer by the horns and flip him over to earn a time. In breakaway roping, cowgirls rope a running calf with a rope attached to their saddle with velcro – time stops when the velcro snaps. Tie-down roping is like goat tying, but for the big competitors. Riders rope a steer, dismount on the fly, and tie the three of the steer's legs, which must remain tied for several seconds for a score. Flipping the steer can be heavy and hard work, with steers typically weighing twice the weight of the cowboy.

\$500 scholarship to be given in name of 2023 Willits Frontier Days Grand Marshal Edie Ceccarelli

Edie Ceccarelli, America's oldest person and for 115 years a source of immense pride to her hometown of Willits, is earning yet another honor.

This year, Willits Frontier Days celebrates Edie with the creation of a scholarship in her name. The \$500 scholarship, sponsored by Harrah Industries, will be awarded later this year to a local high-school graduate who is continuing his or her education.

Edie has championed young people, education and strong community ties throughout her extraordinary life. She was born in Willits on February 5, 1908, and has lived in Northern California always. She is at present the third-longest living person on Earth, behind two women, one in Spain and in Japan, who are 116.
