Soroptimist International of Willits was chartered April 3, 1971, by a group of local business and professional women who were interested in serving our community. When the Soroptimists were looking to create a fundraising project that would be beneficial to the community as well as the club, the idea of the community phone book was suggested.

For the past 45 years, this well-loved directory has helped raise funds for the club’s many awards, but has also provided Willits with a helpful and convenient community resource. Once expenses are paid, all monies raised are given back to the community.

Soroptimist International of Willits is an organization for women who are working to improve the lives of women and girls in local communities and throughout the world. Almost 95,000 Soroptimists in about 120 countries and territories contribute time and financial support to community-based and international projects that benefit women and girls. The Willits Soroptimists are among them. Let’s clarify what this mysterious club is up to, and debunk any myths out there.

WE MEET: 2ND AND 3RD TUESDAYS AT NOON
AT OLD MISSION PIZZA

1. Do you have to be a business owner?
No, you just have to possess a desire to help women and girls in the community to live better lives. It’s great if you are a business owner, but we love housewives and retired ladies, too!

2. Do I have to be a college graduate?
No, we accept all levels of education.

3. How many meetings do I have to go to?
Well, Soroptimist meets the 2nd and 3rd Tuesday every month at Old Mission Pizza at noon. We do not have mandatory meeting participation, although we would love to see you every week. Come when you can; there’s always email, phone and smoke signals to communicate anything that’s missed.

4. Does it cost a lot of money to join?
Soroptimist dues are roughly $130 per year. You also pay $2 per meeting. That money is to help the club sustain itself. We do have a payment plan for people who need one for the dues.

5. What is my time commitment to the club?
That’s up to you! If you can only manage a couple of hours per year, that’s great. Some people are able to share more time. It really depends on what’s happening in your life. It’s like the old saying: “Every little bit helps.” On average the time commitment is about one hour a week.

6. Is Soroptimist religious, or does it follow a certain political belief?
NO. We do not engage in any of that. We are there to focus on helping women and girls in the community. That’s all.

7. Can I be in more than one club?
YES! The beautiful thing about service clubs is that doing this kind of work is so gratifying you’ll want to do more! Go for it! We love community super stars!

8. Why women & girls?
Soroptimist means “best for women,” and that’s what we strive to be – an organization of women at their best helping other women to be their best. As a women’s volunteer organization, we feel uniquely qualified to help women and girls live their dreams. It’s true that both men and women live in poverty, face discrimination and must overcome obstacles. But throughout history – in every country in the world – women and girls face additional obstacles and discrimination solely because of their gender.

9. What projects are the Soroptimists doing?
Scholarships to graduating students; Live Your Dream Award, to support a single parent’s or head-of-household’s re-entry into education to provide for her family and improve her life; Violet Richardson Award, recognizing a young woman for her efforts in the community; She Reads, the donation of books geared towards women and girls to schools in the community; Community Telephone Directory; Collection of goods and clothing for Project Sanctuary in Ukiah; Willits Frontier Days Community Telephone Directory; Collection of goods and clothing for Project Sanctuary in Ukiah; Willits Frontier Days Peer Education Summit; Live Your Dream Award, to support a single parent’s or head-of-household’s re-entry into education to provide for her family and improve her life; Violet Richardson Award, recognizing a young woman for her efforts in the community; She Reads, the donation of books geared towards women and girls to schools in the community; Community Telephone Directory; Collection of goods and clothing for Project Sanctuary in Ukiah; Willits Frontier Days Peer Education Summit.

10. How can I contact Soroptimist of Willits about membership?
Contact President Divora Stern, onemindbody@gmail.com, or come to a meeting at Old Mission Pizza.

**PEER EDUCATION SUMMIT**

One of the projects Soroptimist International of Willits has taken on is the annual ‘Peer Education Summit’ at Willits High School.

The summit invites Willits eighth graders to meet with a group of high school students to help orient them to the big step they’ll be taking next school year, becoming freshman at Willits High.

The Willits Soroptimists co-sponsor the Peer Education Summit, which started as a teen girls event and now has been expanded to include teen boys.

Approximately 110 eighth graders from Baechtel Grove Middle School and the Willits Charter School attended last year’s workshop on April 21, 2016. Thirty-one Willits High School Peer Counselors students, boys and girls, acted as facilitators for the day. The counseling students were pleased with the summit, and their part in it. Some of the students remembered being the nervous newcomers themselves when they were entering high school.

The “Fishbowl” part of the summit – which is many kids’ favorite part – is at the end of the day; orienteers and facilitators are divided by gender: eighth grade kids listen to the high school girls, and then the high school boys, and vice versa for the boys. The school coordinator and a couple of peer counselors go to the junior highs a month before, and gather questions they have for the high school students; then during the summit the anonymous questions are screened and the facilitators decide which questions get answered. An example of some of the questions: “Is it a hard transition from middle school to high school? What is the most important part of high school? What is the best thing about high school? The worst? What are good habits to get into? What else do you recommend? Do guys like girls who wear make-up? Is your first year of high school nerve racking? What’s the hardest part of getting through freshman year? Is bullying a big problem for freshmen? Who do I talk to if I am bullied? What do I need to think about if I want to go to college or a trade school?”, there were many more great questions like these should be submitted for the summit.

WHS student peer counselors assist the Peer Counseling Coordinator in planning the summit, meeting weekly to develop the content, create lesson plans for small break-out groups and work on the logistical aspects of setting up the summit. The training day held a couple of weeks before the summit assists to train the first-year peer counselors on topics like, alcohol and other drugs, relationships, and self-esteem/body image. The facilitators are trained in how to lead small groups, how to develop a conference from the beginning to the event itself, how to practice healthy communication and how to be role models for the incoming class.

Sex trafficking constitutes 79 percent of all human trafficking, and most victims of sex trafficking are women and girls.

About two million women and children are held in sexual servitude around the world, but many experts believe the actual number is far higher. Because it is clandestine in nature, it is difficult to determine the magnitude of sex slavery. In fact, it is estimated that the number of identified human trafficking victims represents just four percent of the total number of all victims in the world.

Only around five percent of trafficking cases are ever reported.

Sex trafficking happens in both public and private locales. In some cases, trafficking victims are highly visible and engage in street-level prostitution, but in most cases, sex trafficking takes place in underground venues, such as private homes or brothels. Often, public and legal locations such as massage parlors, spas and strip clubs will be a front for illegal prostitution and trafficking.

Estimates suggest that between 700,000 and two million women are trafficked across international borders each year. Adding domestic trafficking would bring the total much higher, to perhaps four million persons per year.

66 percent of all human trafficking victims are women, and 13 percent are girls.

HUMAN TRAFFICKING

“Human trafficking is modern-day slavery and involves the use of force, fraud, or coercion to obtain some type of labor or commercial sex act. Millions of people are trafficked in countries around the world, including the United States, generating billions of dollars in profits second only to drug trafficking.

Recognizing key indicators of human trafficking is the first step in identifying victims and can save a life. Some common indicators are:

- Does the person appear disconnected from family, friends, community organizations & church?
- Has a child stopped attending school?
- Has the person had a sudden or dramatic change in behavior?
- Is a juvenile engaged in commercial sex acts?
- Is the person disoriented or confused – shows signs of mental or physical abuse?
- Is the person fearful, timid or submissive?
- Does the person show signs of having been denied food, water, sleep or medical care?
- Does the person lack personal possessions & appears to have an unstable living situation?
- Is the person often in the company of someone whom he/she defers? Someone who seems to be in control, e.g. where they go, who they talk to?
- Does the person appear to be coached on what to say?
- Does the person have freedom of movement? Can they leave where they live?

VIOLET RICHARDSON AWARD

Honors girls who volunteer for causes that make our community and world a better place

Eligible applicants are young women who:
• are currently between the ages of 14 and 17
• have demonstrated initiative in both identifying a problem and trying to solve it
• have had significant and noteworthy accomplishments as volunteers

Write an essay, up to 750 words. Tell us where you volunteer and why. Describe the goals of the organization and its impact on the problem(s) it addresses. What is your role in the organization? What have you accomplished as a volunteer?

For more information and to apply, see the 2018 Live Your Dream and Violet Richardson Awards!

One of the annual projects for the Soroptimist International of Willits (SIW) members is volunteering with Willits Frontier Days to run and coordinate the yearly Sweetheart Contest, which they have done now for 43 years.

Willits Frontier Days is the local Fourth of July celebration, and each year a local cowgirl is named “Sweetheart”, earning the title by selling tickets to the Fourth of July events. Contestants receive a percentage of their tickets sold, and many use these funds for furthering their education in order to stretch the scholarship monies they might receive at graduation.

The contests must prepare a speech, usually coordinated with the theme of the year’s event, sometimes focusing on their family history, or sometimes on their dreams of the future. On judging days, contestants recite their speech in front of family and friends at the Appearance, Personality and Poise event. They also model their western outfit which may be from Frontier Days past and can be antique or vintage clothing from past Sweethearts for this portion of the show. The final portion of Appearance, Personality and Poise is the interview by the judges. At a separate horsemanship event, the contestants ride a horsemanship pattern, showcasing their mounted skills, and answer questions from multiple judges about their horse, tack, Western life and more.

The tickets are counted, tallied and all judging sheets are reviewed by a Certified Public Accountant. At the Sweetheart Dinner, an “invitation only” event, a winner is finally named and crowned by the reigning Sweetheart. An engraved tiara and sash are presented to the winner along with other memorable gifts which may include spurs, buckles, and sometimes even a saddle.

Once named the winner, the new Sweetheart gets to enjoy her duties; assisting in the arena, handing out awards, chasing cattle, riding in the parade, and posing with winners for photos as well as making appearances at other rodeos in the name of Willits Frontier Days.

All girls 16 to just under 21 years of age are encouraged to apply. Applications are available on the Willits Frontier Days website.

SCHOLARSHIP WINNERS
from the Class of 2016

It was a full house on Tuesday, May 17 at Old Mission Pizza when eight award recipients and four Willits Frontier Days Sweetheart contestants and their family and friends joined members of the Soroptimist International of Willits for the 2016 award and scholarship luncheon. Scholarship committee chairperson, Tanya Musgrave, conducted the meeting and introduced the scholarship committee that included herself, Jane McCabe and Barbara O’Rear. Scholarships were given to seven Willits High School graduates, including Olivia Cooper and Hillary VanBezooyen, who received the Evelyn K. Kennedy award, and Kristyana Hewitt, Hannah Friend, Flor Haschack and Shanna Gayski, who received traditional scholarships. The Evelyn K. Kennedy scholarship money was given under the guidelines that it be given to a student who is entering the teaching or medical field for their college education, keeping at least a 2.75 grade point average. The Kennedy scholarships were $2500 awarded in two payments over two years. The traditional scholarships were for $1000. All the girls were selected for their academic excellence and community service.

WOMEN'S STUDIES BOOKS TO WHS

Soroptimist International of Willits (SIW) met with Baechtel Grove Middle School Librarian Tina Ellis and Willits High School Librarian Stephanie Roellings to put together a list of books geared towards Women's Studies as part of SIW's “She Reads” girls' book project. SIW is currently working with Baechtel Grove Middle School, Willits High School and Willits Charter School as part of their continuing project to purchase books that will empower girls and give them positive role models when reading books. SIW's plan is to add another school each year as this program moves forward. “Our culture is not very supportive of women or letting them see the full measure of what life has to offer,” said Vicki Ham, past president of the Willits Soroptimist group. “Less than 2 percent of written history is about women. On the other hand, mass media is focused on girls and offers images that are not authentic and, oftentimes, demeaning. These are messages that girls are receiving and creating their reality around,” she said. The Soroptimists feel that more girls will be able to dream bigger if they have access to books and positive women role models.

Soroptimist International’s mission is to improve the lives of women and girls through programs leading to social and economic empowerment.

SIW meets at the Old Mission Pizza on the second and third Tuesday of the month at noon; please come and join us.

SIW supports such projects and programs as Human Trafficking Awareness, Project Sanctuary, Willits Kids Club, Willits Frontier Days Sweetheart contest, and the Peer Education Summit, just to name a few.

Investing is something many young people have a tendency to overlook. Years ago, few young women gave much thought to how to invest their earnings, as many planned to stop working upon having children. But many young women now continue to work even after they start families, and that has led many to take more active roles in managing their money. Investing can be hard for anyone to grasp, whether they’re male, female, young, or old. The following are a few tips young women looking to grow their finances should consider as they begin their careers and start building their financial futures.

**Start saving for retirement.** Young women working their first jobs may not be thinking about retirement, but it’s still beneficial to take advantage of employer-sponsored retirement programs as soon as they are eligible. If no such program exists, start contributing to a retirement account you set up on your own. If you start saving for retirement right away, you won’t miss the money you are depositing into your retirement accounts. But delaying retirement savings can cost you hundreds of thousands of dollars depending on how long you wait to open an account. When investing for retirement, take an active role, monitoring how certain investments are performing and making changes when necessary. Many people, especially young people, choose 401(k) investments and then stop monitoring them. The more attention you pay to your retirement investments, the more control you can take over your financial future.

**Look into local real estate.** Real estate is often a wise investment, and successful young women need not wait until they walk down the aisle to get their feet wet in the real estate market. Research home costs in your area, including single-family homes and condominiums. If you can afford to do so, consider purchasing a home rather than renting an apartment. If you have enough money saved up for a down payment, your monthly mortgage payment may not be much different than your monthly rent, especially if you are willing to take in a roommate to cover your costs.

**Use credit wisely.** Many young people, regardless of gender, find themselves facing large amounts of consumer credit debt. Young women can avoid such a fate by only using their credit cards when they know they can afford to pay off the balance immediately. It’s important that young women start building their credit histories, but building a bad credit history is more detrimental than having a limited credit history. Resist the urge to engage in retail therapy unless you can pay for items in cash. Using credit wisely now will make you more attractive to lenders down the road, and that can save you thousands of dollars in interest on substantial purchases like homes and automobiles.

**Pay down debts.** One of the best ways to achieve financial freedom is to pay down existing debts. Focus first on eliminating high-interest debt, such as credit card balances, and then move on to fixed-rate or low-interest debt, such as student loans. The sooner you eliminate debt, the more financial flexibility you will have.
