Soroptimist International of Willits

About Our Club

Soroptimist International of Willits was chartered April 3, 1971 by a group of local business and professional women interested in helping our community. These new Soroptimists wanted to create a fundraising project that would benefit the entire community as well as raise funds to aid women and girls. With that in mind, the idea of a community phonebook was born.

The Willits Community Phonebook is now 52 years old!

We thank all our advertisers. Their ads in our local phonebook provide us with the funds that are used for college scholarships

for high school senior girls as well as for continuing education. We are also able to fund the Soroptimist International of the Americas' signature Live Your Dream Award and Founder Region Violet Richardson Award. We are often able to send donations to the Willits Kids Club, Project Sanctuary, Willits Literacy Volunteers, and other organizations that support educational opportunities for women and girls.

We greatly appreciate Willits Weekly for helping us to produce and distribute this phonebook. Our sincerest "Thank You" goes to everyone at Willits' local newspaper..

SIW members smile with the Easter Bunny at the annual fundraising event.

Our Mission:

Soroptimist is a global volunteer organization that provides women and girls with access to the education and training they need to achieve economic empowerment.

Giving Back:

Thank you to our advertisers who, by their contributions to this Community Phonebook, have allowed us to continue scholarships and donations.

We appreciate all of our advertisers and supporters who made this book happen again this year. While we understand the idea that putting together a physical phonebook may seem old-fashioned, being able to offer residential numbers, local addresses, and the chance to list cell numbers, all while supporting an organization that offers scholarships and support to local women and girls in our community makes this annual fundraising project something we are proud to create, and shows that it's an important resource in our community.
